

The Lyceum Space

House

Please refer to seating plan, Plan **F**, which is not to scale.

1. Actual Seats: 270
Wheel chair: 3
2. Center stage to most distant seat approximately 27'.

Stage

Please refer to Space plan, Plan **D**, which is not to scale.

For most accurate dimensional and spatial information, refer to Space Ground Plan and Section.

The Lyceum Space is a black box. The theatre has a pit in the center that is filled in. The theatre has a thrust built out from the permanent floor and seating is on two sides.

Standard Configuration is the basic rental package for the Space and consists of:

- The current seating and stage configuration.
- The stage floor is clear and painted flat black.

Any change to this configuration will result in an additional charge for the labor and any rental charges for additional goods.

1. The theatre is 57'-0"W x 60'-0"D, when depth is the distance from the audience entrance from lobby, to the loading doors.
2. The pit is 27'-0"W x 30'-0"D and is centered in the room leaving 15'-0" of permanent floor from each wall.
3. The pit is 4'-0" deep.
4. The theatre is surrounded by a 5' wide catwalk at 12'-6" from the stage floor.
5. Area inside of catwalks is covered by a grid at 18'-10" from the stage floor.
6. DS corner to US back wall corner: 46'-9"
SL to back wall: 33'-0"
SR to back wall: 33'-0"
SL to catwalk on-stage edge: 27'-6"
SR to catwalk on-stage edge: 27'-6"
SL to edge of permanent floor: 19'-0"
SR to edge of permanent floor: 18'-0"
7. Exits from the Space:
DS through House to Lower Lobby.
US through back door to dressing area.

SR through loading doors to dressing area.

8. The Space floor is wood on concrete with a ply wood surface. The floor is paintable.
9. There are no traps.
